A Man

A Philosophy

A Way of Life

Mix a little foolishness with your serious plans.

In these times it has become increasingly difficult to keep up hope and morale in a world plagued by crime, violence, and war. Pessimism seems to be the prevailing attitude as people look around and find too many reasons to get down. Well we're not down.

As the seniors entered their last year here at Bosco they had an optimistic attitude, one of dedication to hard work without forgetting its rewards. The class of '82 confronted their obstacles without losing sight of all the good times still to be had with some of their best friends. We have hope and look forward to fantastic futures. We are definitely going to "Get Happy!!"

It's lovely to be silly at the right moment. . . . Horace

If it's true a rich man leads a sad life
that's what they say, from day to day.
Then what do all the poor do with their lives
on judgement day with nothing to say?

I've been beat up, I've been thrown out,
but I'm not down, no I'm not down,
I've been shown up, but I've grown up
and I'm not down, no I'm not down.

On my own I faced a gang of jeering
in strange streets,
when my nerves were pumping and I fought my fear in,
I did not run, I was not done.

I've been beat up, I've been thrown out,
but I'm not down, no I'm not down,
I've been shown up, but I've grown up,
And I'm not down, no I'm not down.

And I've lived those kind of days
when none of your sorrows will go away
it goes down and down and hits the floor
and goes down and down some more.

DEPRESSION!!

But I know there'll be some way,
that I can swing even if I go back my way,
like my scrapers rising up
floor by floor, I'm not giving up.

So,
you rock around and think that you're the toughest
in the world, the whole wide world,
but you're streets away from where it gets the roughest
you ain't been there.

I've been beat up, I've been thrown out,
but I'm not down, no I'm not down,
I've been shown up, but I've grown up
and I'm not down, no I'm not down.

... The Clash

The Bosco Dream

It is said that a young man's most formative years occur while progressing from boyhood to manhood. It is also said that a good Christian is one who combines the spiritual side of his personality with the realistic side. St. John Bosco High School strives to do just that. The **priests, teachers and coaches** work together in helping each young man become a man.

The **teachers** at St. John Bosco do not enter the classroom, lecture for forty-five minutes and leave not to be seen again. Rather, their dedication and concern long after the normal school day enables the students to relate to them as humans. This friendly interaction provides for increased student understanding.

Spiritual participation is encouraged at St. John Bosco by the many **priests** and **brothers**. They help to shape and guide young men toward being a mature Christian man. The casual relationship they assume with students make relating a much easier task.

Athletics are a large part of St. John Bosco's student activities. Our **coaches** instruct in self-discipline and assertiveness. The most a **coach** can do is to help bring out the student's natural talent and temper it with a healthy attitude towards sportsmanship.

As the **priests, teachers** and **coaches** affect each student at St. John Bosco, it is to these individuals and the spirit they bring to their vocations that the **1982 Brave** is dedicated.

Dance Craze!!

This year Bosco dances underwent a few changes. Fr. Leo allowed us to hold dances on campus in our gym and also this year's dances pulled away from Rock and Roll and tended more towards New Wave and Ska. Ska is a revival of the Jamaican Calypso movement that featured a lively music with a very danceable beat that appeals to everyone. ASB Vice-President, Mike Howard comments on the changes: "I think everybody has been getting sick of hearing

Freebird or Stairway to Heaven again. I'll walk out." After this year's innovative style of dances it only remains to be seen how next year's ASB will try to follow, but they have big shoes to fill.

A Friend of Youth

O St John Bosco, Father and Teacher of Youth, you have labored so much for the salvation of souls: teach me to be patient and gentle as I seek the good of my soul and the souls of my neighbor. Thine great loves gave purpose and meaning to your earthly life: help me deepen my own reverence and devotion to Jesus in the Blessed Sacrament, to Mary Help of Christians, and to our Holy Father the Pope. Together with the grace for which I now pray . . . obtain for me the final perseverance and the grace of a happy death. Amen

Bosco Opens Its Doors

The Open House this year proved to be very successful. Close to one thousand people visited the school to gain an insight into the spirit of St. John Bosco. The grounds were in excellent condition, the rooms had received their annual cleaning, the sea gulls had been well fed by Ziggy and a good time was had by all. Although many prospective students had a look of fear in their eyes, the parents that we talked to said that they were very impressed with the excellent facilities at our school, and indicated that they would have their boys sent here, but to leave here as men.

Name a Small Sea Animal . . .

There has been a non-violent resurgence of Bosco spirit. Unlike the "snake" pit, this club has taken on a new crustacean, the shrimp. The name of the club is, you guessed it, "The Shrimp Cocktail Club." Born in a brown van from the minds of a few creative Palm Springs sunbathers, the club caught on quick, gaining approval from the ASB board and the administration who is still trying to figure it out. Wearing traditional trench coats and obeying all rules of high class etiquette, the Shrimp Cocktail Club appeared at many social gatherings. The club was culminated by tremendous participation at the winter games, with a few dedicated shrimpers going to every event.

Montero Most Masculine

Despite a few rough patches, the team's season was a success. At the time, the team was in a tough spot, but the players were determined to win. Bosco Beats St. Anthony On and Off the Court

Basketball Homecoming got off to a great start this year as the basketball team upset eighth ranked St. Anthony 54-51. The Braves were led by **Mike Tait** with 21 pts. **Bryon Strachan** with 19, and **Rodney Scott** with 13. The Braves proved that speed and skill were just as necessary a part of the game as height — an advantage that our team lacked. The gutsy Braves displayed their superiority, much to the enjoyment of the standing-room only crowd. The festivities were further carried on at Mike and Mike's 1st annual Dance Craze, where everyone was allowed the pleasure of hearing three (3!) bands at the ultra low price of only \$2. The students enjoyed dancing to these groups which played a wide variety of music spanning the era of Elvis Presley to Elvis Costello. A good time was had by all, which added respect to the increasingly popular Basketball Homecoming.

Rally Gone Out of Bounds

This year's Homecoming rally was one of the best ever to hit Bosco. New events were added to make it quite an interesting day. In the arm wrestling competition senior **Marc Mancini** and junior **Tim Olson** came to a draw in both of their matches. **Paul Rauterkus** slaughtered his freshman opponent. The junior class won the egg toss but the senior class came out on top

Homecoming Halftime Happens

The 1981 Bosco Homecoming was highlighted by a fireworks display which ended a court juggling performance. The Spirit Team and Pep Squad led the enthusiastic crowd which packed the stands of Bosco High School. The Friday night football game capped a week of festivities and class competition games, and led by the Bosco Student Council.

Success is peace of mind which is a direct result of self-satisfaction in knowing you did your best to become the best that you are capable of becoming.

Intensity, hard-hitting and a growing sense of unity characterized the 1981 varsity football squad. A team that kept doing the impossible and at times the improbable earned itself a special place in the annals of Bosco football history. When pads were issued during the week of August 24th no one was quite sure what was in store for the **Junkyard Dogs** and their fans.

A relatively small in number but large in heart, excitement and individual fortitude the '81 **Braves** put their **Del-Rey League Crown** on the line. Coach **Terry Roche**, along with his staff of **Ed Riley, Mike Donatelli, Bill Yurek, Tim Richmond** and **Hugh Von Platter**, fashioned not only a successful, but championship season.

Pre-league competition saw the **Braves** put together an impressive 4-1 record. Led by their captains, **Tom Prukop, Mitch Lawbaugh** and **Michael Howard**, these gridiron gladiators defeated **Santa Fe 38-14, Lakewood 14-7, Bell Gardens 28-21** and **St. Bernard's 12-0**. Only the CIF power Downey High School proved too much for the "blue wrecking crew."

Del-Rey League competition opened against **St. Francis**. The Golden Knights went down to defeat as the **Junkyard Dogs V.** proved to themselves that no one was going to beat them. When the dust settled in **Braves Stadium** a six year jinx had been broken and the **Braves** were on top 15-9. High-intensity, hard-hitting and pin-point passing characterized the **Loyola** Cub game. **Mitch Lawbaugh** and **Tom Curnow** connected time and again as **Bosco** marched up field in the final two minutes of play to hand **Loyola** a come from behind 14-13 defeat. Along with these two all-leaguers, **Forty Eight Minute Men: Tom Prukop, Steve Eggert, Robert Zolg** and **Andy Salazar** proved too much for the highly touted and talented Cub squad. **Notre Dame Stadium** almost proved to be the **Braves** undoing. Emotionally drained from the two previous weeks, the **Bosco Blue Machine** was almost sidetracked. But regardless of the tight ballgame, **Steve Richmond, Jon McMaisters, John Niklas, Ralph Flores** and **Mike Howard** led an impressive but bone weary team to a 14-13 victory. The **Crespi** Celts became the only flaw upon the **Braves'** **Del-Rey League** record. Although their offense scored 20 points the Celts came back with just 45 seconds on the clock to edge **Bosco** 20-23. The loss left **Terry Roche's "gutty little braves"** deadlocked with **Loyola** for the **Del-Rey League Crown**.

The final two outings of the season took their toll. The **Servite** Friars came back in the final 38 seconds of the homecoming game to win 27-28. Although disappointed the **Bosco** fans, alumni and friends saw solid performances from **Joe Tupy, Sam Totah, Mike Barton, Greg Husted** and **John Niklas**.

The **Braves'** finale was once again **Cerritos College**. In a game filled with misfortune and bad breaks the **Braves** ended their season against the **Fountain Valley** Barons. Although outscored, the 1981 edition of the **Junkyard Dogs** out hit and out fought a larger opponent.

A season filled with surprises and memorable events the 1981 football campaign will not soon be forgotten. As the bumper stickers proclaim: **"The Braves are Back, Bosco Football #1."**

Sophs Out-Scored, But Never Out-Hit

The Sophomores, as usual, had a small turnout for a football team. With less than 25 players they put together a hard hitting, hard playing squad with the majority of their best athletes having to go both ways. Quarterback **Tim Duerr** and defensive back **Mark Ramirez** gave their best on both sides of the line yet their team fell to every foe, ending 0-10.

Left to Right: 1st Row: D. Fouquette, S. Diaz, M. Murray, M. Gomez, J. Tufano, E. Newcash. **2nd Row:** P. Lopez, J. Arellanes, M. Paz, T. Duer, T. Madrid, M. Molton. **3rd Row:** E. Vargas, E. Del Rey League Co-Champions

Another in a long line of fine freshman squads coached by "The Silver Fox" himself, **Garland Privitt** raced to a 5-0 head start in pre-season, ousting teams like **Downey, Santa Fe, Bell Gardens** and **St. Bernard** with a combined total of 131-0. They also defeated the Soph-Frosh team from **Nogales**, 12-7. The Freshman opened league by destroying supposedly powerful **St. Francis**, 46-7. The **Braves** then traveled to **Loyola** and suffered their only loss to the **Cubs**, 6-23 (RATSI!). The **Braves** breezed through their next two contests, shutting out **Notre Dame**, 43-0, and **Crespi**, 51-0. The Homecoming game resulted in the **Braves** squeaking by **Servite**, 14-13. Overall the Freshman squad posted a 9-1 record, a Del Rey League Co-Championship, 6 shutouts and 386 total points. **Bosco** is very proud of these athletes and hopes to see them bring home future championships to the school.

This year's **Cross Country** team began training for what was to be a very demanding season back in last June with summer workouts. As the team developed into a quality team it took the form of a closely knit unit. The team's common goal besides taking league was to do the best possible job they could do at any given time against any given team.

With this very definitive winning attitude in their minds, the team started the season with four straight wins, and top three finishes in two invitationals. The **Braves** finished the season with a 6-2 record. The two losses against St. Francis and Crespi were lost by a total of five points. The team was led by seniors **Marc Gallegos, Omar Khalaf, Ernie China, and Jeff Lucero**; juniors **Paul Griley, Steve Madrid, and Marty Rubio**.

This years Varsity Basketball team had a triumphant season which hadn't been seen since 1975 and was in direct contrast to last years 0-8 league record.

Although the team proved to be an offensive threat with **Michael Tait** and **Bryon Strachan** compiling stats of 22 and 8 points per game respectively. It based its game on intense defense. The intensity on defense served as a counterbalance to the lack in height. Besides the height disadvantage, the team was plagued by a series of injuries which ranged from sprained ankles to a broken nose. As expected, discipline served as a guide to bypass all the disadvantages.

The **Braves** opened up the Pre-Season with a shattering defeat of 71-42 over San Gabriel. The **Braves** went on to beat St. Paul and captured third place in the Arroyo Tournament. Named to the All-Tournament team were **Byron Strachan** and **Rodney Scott**. The **Braves** went on to receive a heartbreaking loss to Bishop Montgomery. The **Braves** bounced back with wins to Brea and Cerritos and third and second place finishes in the Bosco Tech and Villa

Park Tournaments respectively. **Bryon Strachan** and **Rudy Barajas** were named to the Bosco Tech All Tournament Team. Named to the Villa Park All Tournament Team were **Michael Tait** and **Bryon Strachan**.

After a successful Pre-season, people still questioned the ability of the Opening league play and defeating St. Francis wasn't as convincing as when the **Braves** went on to beat Loyola and Notre Dame. Against Crespi were outsized more than they were outscored as the record books show. After Crespi, the **Braves** went on to beat St. Francis and Loyola and thus guarantee itself a CIF playoff berth.

In concluding the season, the **Braves** of 1982 proved that hard work and discipline resulted in a prosperous season.

Coach Ellis Returns

Coach **Tim Ellis** returns once again to lead a fresh crop of Frosh and Soph baseball players into Del Rey league action. Tim has coached J V baseball a number of times before with excellent results. Working with a handful of returning Sophomores and quite a few good Freshman athletes, he has put together a team as good

as any he has coached in the past and has high hopes for the upcoming year, with **Paul Rauterkus'** batting, **Kyle Jondles'** steady catching and **Tim Duer's** rigorous infield play, he hopes to have a winning season and a Del Rey League championship

This years A.S.B. has been trying to distinguish themselves from the A.S.B.'s of the past. Says A.S.B. President **Michael DiTolla**: "This year we were looking for a change, not as much in our policies as in our activities. Our dances were basically Ska/New Wave as opposed to all the Rock and Roll dances of the past. We see a lot more people dancing this year than in the years before." After a well executed Homecoming, the A.S.B. has one of the most successful dances in Bosco's history. With Fr. Leo making some changes to suit his own style, the A.S.B. also made some to suit theirs. Whether or not this years format will become a precedent for the years to follow remains to be seen

In closing we would like to take a minute to explain some of the symbolism injected into this book. The predominate shape of the **pyramid** pervades quite a few of the layouts as a symbol of the tripart union described in the dedication. Throughout the 1981-1982 school year the school has been very successful athletically, academically and spiritually. We would like to thank all the coaches, teachers, and priests who made this excellence possible. This year the book focused upon the theme of "**Get Happy**", the necessity of celebrating your achievements once the work is done. The senior class realized the importance and self-satisfaction received from hard work while also realizing how important it is to still live life to its fullest. We would like to thank our fellow students who make all of our good times and memories possible.

We've Come Full Circle

In the final picture of the book, we summarize our three part theme of religious teachers and coaches (athletes). Father Frank symbolizes the striving for religious perfection. Tom Fisk, the embodiment of outstanding athletic performance, while Mr. Jett's pessimistic face represents inquisitive nature — such a vital part of learning. The yearbook editors chose this theme in an attempt to express the important role each plays in the total development of the individual. These three areas basically summarize all areas of H.S. life. Thus, this picture hopefully says all the 1,000 words we don't have room to express.
